City Park West
Chelmsford

North West Cambridge M1 & M2
Cambridge

Neighbourhood classifications, 2014

Each colour encapsulates a combination of census variables. These are the official categories approved by the GLA.

Urban elites

- Educational advantage
- City central

City vibe

- City and student fringe
- Graduation occupation

London life-cycle

- City enclaves
- Affluent suburbs

Settled Asians

- Asian owner occupiers
- Transport service workers
- East End Asians
- Elderly Asians

High density and high-rise flats

- Students and minority mix
- Disadvantaged diaspora
- Bangladeshi enclaves

Multi-ethnic suburbs

- Affordable transitions
- Public sector and service employees

Intermediate lifestyles

- Struggling suburbs
- Suburban localities

Ageing city fringe

- Detached retirement
- Not quite Home Counties
